DATE _____

This document provides for the release of liability of Rescued Paws at Alpine Foundation and its volunteers on account of the actions of any dog, of any breed, which has been released into the ownership of Rescued Paws and placed into the care of a Foster Care Provider ("fostered dog").

I, _____ (the Foster Care Provider), understand that Rescued Paws and its volunteers cannot guarantee actions or disposition of any fostered dog placed into foster care with me. I understand that although reasonable effort has been made to assess the disposition of each dog released to Rescued Paws beforehand but, being living animals, they may act unpredictably in any given situation, and that I must take necessary precautions to prevent accidents and guard against unpredicted actions by any fostered dog in my care. I promise to take adequate care of any fostered dog in my care by providing nutritious food, plentiful water, and adequate shelter, as well as control of external parasites (fleas and ticks). I promise to notify Rescued Paws if any fostered dog in my care is in need of veterinary care such as vaccinations, routine testing and refill of heartworm preventive or treatment for illness. At no time will I allow any fostered dog to be a nuisance to people or other animals. I promise to keep any fostered dog in my care safely confined in a fenced yard or kennel run or inside a house or garage when the dog is not with me or a member of my family. I promise that at no time will any foster dog be placed outside on a tie-out (in a yard, in front of café, store etc.) I promise that when off of my property, any fostered dog will be kept on a leash at all times unless I have approval from Rescued Paws. In that case the dog can only be off leash in a safely enclosed dog play area. **If for any reason in the future the dog is unable to remain in your home, you are to return the dog to Rescued Paws at Alpine.**

I understand that Rescued Paws recommends the use of a dog crate for confinement inside the house and requires the use of ID tags on the dog's collar in accordance with Wheatland County. I understand that fostering a dog for Rescued Paws is not the same as adopting a dog, and that any fostered dog must be made available to Prospective Adoptive Owners referred by Rescued Paws for viewing for possible permanent Adoption. If I wish to adopt any fostered dog, I understand I must complete an Adoption Application and be responsible for the fees requested at the time of adoption. If I find a prospective adopter for my foster dog I will contact Rescued Paws and I promise not to give the dog over to anyone until an adoption has been approved and an agreement has been signed.
